WEBSITE UPGRADES

Effective Tuesday, September 3, 2013, the D.C. Office of the Inspector General's (OIG) website has been enhanced with a function for citizens and stakeholders to subscribe to email or SMS/Text updates. The new function will allow subscribers to receive updates whenever new information is posted to the OIG website.

To sign-up for the updates, go to the OIG website at <http://www.oig.dc.gov> and click on "Subscribe to Email Updates" link, found under OIG Popular Links, and follow the instructions.

Inspector General Charles J. Willoughby is pleased that this new service is being offered to District citizens and stakeholders, with the belief that it will enlighten the public on the role and responsibilities of the OIG, and highlight the Office's efforts at ensuring effectiveness in government.
